How Your Generosity Overflows in 2026

The first \$90,000 received will directly fund global and local missions projects. The next \$50,000 will support strategic outreach efforts in Rochester. Any amount received beyond this \$140,000 goal will fund special projects to strengthen Lakeshore's ministries and support additional needs as they arise.

Global Missions

Your generosity reaches beyond borders to meet needs and share the hope of Jesus worldwide.

★ FEED MY STARVING CHILDREN MOBILEPACK December 5-6, 2025

Through our MobilePack event, we'll provide over 160,000 meals to children facing hunger, opening doors for the Gospel around the world.

★ NOURISH (formerly ORPHANetwork)

Supporting vulnerable children in Nicaragua with meals, care, and opportunities to encounter Christ. Our support grows 25% this year, reaching even more kids in need.

★ OTHER GLOBAL PARTNERSHIPS

Your giving also supports smaller projects and missionaries who are making a difference across the globe.

Local Missions

Your generosity meets needs and shows God's love right here in Rochester.

★ STREETS FOR CHRIST

Providing hope and practical care for the homeless and unhoused, while pointing them to the life-changing hope of Jesus.

★ SERVE INITIATIVE

Through Love Week, the Greece Central Community Meals Program, Mission Share, and other local partnerships, we're serving families and strengthening our city with the love of Christ.

Outreach

Your generosity helps us reach our own city with the gospel.

In addition to \$90,000 for missions, Making Waves 2026 will commit \$50,000 to strategic outreach in Rochester. These resources will be used for communication efforts that invite thousands across our region to encounter God at Lakeshore. While this may look different than funding food or tangible aid, it is a vital investment in helping people hear the message of Jesus and take their next step with Him.

Surplus & Special Projects

When generosity overflows beyond these commitments, additional funds will strengthen Lakeshore's ministries, support missionaries we partner with, and allow us to meet needs as they arise.

Get Involved – It Begins with You

Making Waves happens when each of us steps out in faith. Here are three ways you can be part of Making Waves 2026:

PRAY

Ask God how He wants to use you to accomplish His will through Making Waves.

SERVE

Step up to serve in one of the projects, like the FMSC MobilePack event (Dec 5-6).

GIVE

Make a sacrificial financial commitment that overflows into eternity.

Dear Lakeshore family and friends of the less fortunate,

As we celebrate our thirtieth year of ministry as a church, we also enter our fifteenth year of Making Waves—our annual opportunity to make an extraordinary impact together. Making Waves was created for the people of Lakeshore, along with friends and partners beyond our church, to come alongside us in meeting both the

physical and spiritual needs of people locally and globally through a variety of incredible projects.

It's humbling to think that over these fifteen years, we've been able to give away nearly \$940,000 through Making Waves alone—and over \$1.5 million in total when we include what's given through our General Budget. That's all thanks to God's faithfulness and to the generosity of people like you who have embraced this eternally important mission each year.

This year, we are once again giving away the largest amount in our history to meet these needs. The reason is simple: people matter to God, so they should matter to us. Every dollar, every prayer, and every act of service is another way to show the love of Jesus in real, tangible ways.

Sue and I are making a sacrificial commitment again to Making Waves 2026 because we want as many people as possible to encounter His love. We invite you to join us—whether it's your first time or your fifteenth. Explore the projects in this campaign, engage with the resources we've prepared, and prayerfully consider how you can be part of fulfilling the Great Commission.

Together, we can impact people for eternity.

Warmly,

Vince & Sue
