EPHESIANS

God's Grace & Our Growth

In his letter to the Christians who lived in Ephesus, the Apostle Paul describes the amazing grace of God and explains how it rescues everyone who believes in Jesus Christ by faith alone. Then he builds off this truth and explains how a proper view of God's grace can help us to live out our faith and grow stronger in it. Ephesians is all about God's grace and how it leads to our growth. Beginning in 2023, **we'll explore this potent letter as we learn to grow in the vital grace of God provided through faith in Jesus Christ.**
