## MIDWEEK BIBLE STUDY

2023-2024

THE  
REVELATION  
OF JESUS CHRIST

We all long to know what will happen in the future, and yet so few know where to find the answers to their questions about the things that are to come. What does the future hold?

The New Testament Book of Revelation answers our questions with more detail than any other book of the Bible! No book has created more intrigue, fascination, and variation of interpretation like Revelation has. The key to understanding it is to interpret it in light of the other 65 books of the Bible.

Using a literal, futurist interpretive approach, we will study how Revelation teaches us how God brings the world as we know it to an end, how this will usher in His future kingdom on earth, and how it all ends with a brand new heaven and earth!

# 2023

## October 5

The Revelation of Jesus Christ  
(Rev. 1)

## October 19

The Seven Churches:  
Then and Now, Part 1  
(Rev. 2)
